> house of commons and the spirit of the constitut on. \_n 188. at Gai c na he announced that he would hall with satisfaction and cekhy any measure of oca government for reanc. Coming to the electoral campagn of 1885 Mr. Glaustone says in great object was to co nothing to ainder prosecut on of the question by tories, but to use his best efforts to impress the pub ic mind with the importance and urgency of the question. It was in this spirit that his Micobian accrass was written. The rish question was severed from the general subject of local government, and it was pointed out that it would probably throw into the shade al other important measures which were ripe. Once ripe, the time for action had come just as if that been a corn field, we were not to wait unt. .t was over-ripe. The nearing of inveterate sores wou'd only become more difficult. The growth of pucking lopes was inble to be checked and paralyzed by the frosts of polities; and for England, her soft armchair a 1 security, and consideration with acournments interspersed as it had been usual, so also wou cit have been comfortable; but for reland, in her leaky cabin, it was of con-

Foreman of the Round-up-Peter Cennis. THE Association.

A though the association is yet in its infancy, thas a ready a knocklized membersalp and has accomp ished some good work. It has for its object the protection of its members and the cattle interests of the Sixth district. Cattle are gathered economically Moving herds are inspected thoroughly and the quarantine laws rigorously enforced. A standing reward of \$190 is offered for the detection, presecution and conviction of cattle, thieves. The membership fees of the associalion are only \$2.50 per year, which amount e tit es th vuembers to all the protect on that

association affords. Brane books are also issued which are of inestimable value to cattle owners. Those desiring to become members should sem, in their names to the secretary at Colorado Springs. The officers are all active cattle men and will do all at their power to further the interests of the -- Lo B Wals to leopold Robertson, its association and its members.
